Season one of the series shows Dylan Hunt assembling the crew and adjusting to the new universe, while pursuing the creation of the New Systems Commonwealth.. Major powers like the Than Hegemony or the Nietzschean Sabra and Jaguar prides are not really interested in the new Commonwealth; Dylan also manages to make quite a few enemies himself (including the most powerful of all Nietzschean Prides, Drago-Kazov).. The idea of the new Commonwealth proves unpopular; only 6 worlds actually sign the Commonwealth charter in this season.. Dylan also encounters several dysfunctional remnants of the old High Guard and witnesses the consequences of some of his own actions 300 years before.. He realizes that the old Commonwealth had made some mistakes, the repetition of which he has to avoid..
